Our library offers games suitable for toddlers to adults, card games to giant building games. Notable titles include: Star Wars Trivial Pursuit, Catan, Blokas, Pandemic, Apples to Apples, Scrabble, Candyland and many more!

What is a Playaway?

Playaway is **the simplest way to listen to an audiobook on the go**. With the audio already contained within, and a battery to make it play, there's nothing left to do but plug in earphones and enjoy. As the first self-playing audiobook, Playaway brings pages to life at the push of a button. We have children's books up to adult.

Dungeons and Dragons

Every Wednesday at 6:30pm

(January 4 will be on Thursday)

Dungeons & Dragons is the world's most popular tabletop roleplaying game. It is a cooperative, storytelling game where you and other players take on the roles of different characters within a story. As you play, your character will make friends and enemies, fight monsters, discover loot, and complete quests.

Adult Book Club

Join us for a discussion on the novel Winter Garden by Kristin Hannah. The small group will be meeting on **January 18 @ 2:30pm** in the library. No registration is necessary, just show up ready for some awesome conversations.
