## Summer Reading Program 2023

This year's Summer Reading Program theme **All Together Now** is in full swing. We've got tons of fun programs, classes, and events for you. Children ages 3-18 should be registered at the UPV Library to receive reading logs, a brag tag necklace, and a packet with all the programs and activities we have available throughout the summer.

If your child is under 3, ask about our Baby Bee Club! For children ages 3-12, for every 2 hours of reading you will earn a ticket for the prize buckets and a bead for the brag necklace. For teens ages 13-18, for every 300 minutes of reading you will receive a ticket for the teen prize. Adults can drop off reviews to be eligible for prizes. Prizes will be on display at the library.

Tickets can be put in corresponding buckets by young readers who hope to win the prize at the end of the summer. Teens can enter to win straight cash!

Earn more tickets by participating in our Weekly Drop-In Activities throughout the week. Here is a list of special summer activities for children (held at the library unless otherwise noted):
